MONUMENT OF MEMORIES

JACKSON PARK, WINDSOR-ESSEX COUNTY, ONTARIO
DEDICATION, JUNE 2007

2006, the Alzheimer Society Windsor-Essex County plans to mark the 25th anniversary of the local chapter — and the centennial of the discovery of Alzheimer's Disease — with the construction of a "Monument of Memories" in Windsor's renowned Jackson Park. Envisioned as a fund-raising project, the monument has been designed to recognize individual supporters, families and local businesses who purchase an engraving of their own name or the name of a loved one. Engravings of individual names can be purchased for \$150 each (see reverse). Names will be engraved on imported, black granite panels designed to last for decades. Money raised from the sale of engravings will stay in Windsor-Essex County and be used to meet the needs of a growing population with Alzheimer's Disease or related dementia.

The Alzheimer Society of Windsor-Essex County is a nonprofit agency providing a wide variety of support and services for local residents suffering from dementia. The Society also offers counseling, educational and respite resources for families and friends who find themselves in the role of caregiver.

To make the "Monument of Memories" a reality, and to help raise funds so the Society can continue to provide and expand its services, we need your help. Please purchase an engraving on the "Monument of Memories" and ensure a place for the name of your loved one, family or business. Complete the order form on the reverse and return it to the Alzheimer Society today.

ENGRAVINGS ARE TAX DEDUCTIBLE **\$150.00**
